

INTERNSHIP & VOLUNTEER OPPORTUNITIES

Have you always loved marine mammals and been interested in the field of animal training?

Do you love the earth and want to make a difference?

Are you passionate about education and want to assist with our mission for conservation?

Are you wondering if a career in marine mammal science is right for you?

Oceans of Fun is a marine mammal facility located within the Milwaukee County Zoo. Dedicated to the field of marine mammal science and education, it is our goal to provide the best possible environment, training and care for our marine animals with the focus of educating the public about marine life, environmental protection and conservation.

We have a **variety of internship and volunteer opportunities** available to fit your interests. Credit and non-credit opportunities are available.

Explore the career of animal care, training and education!

- Educate the public about marine mammals and conservation.
- Prepare animal diets.
- Observe animal training and medical sessions.
- Assist in facility care and maintenance.

To find out more about our intern and volunteer opportunities, the application requirements and the desired qualifications please visit the *Careers* section of our website at www.oceansoffun.org.
